### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Rohan G. Sabapathypillai on 12/17/2008.

The application has been amended as follows:

#### **In the claims**

In claim 1, line 6, before "reflector", "a" has been changed to --at least one--; line 7, before "reflector", --at least one-- has been inserted; line 13, before "reflector", --at least one-- has been inserted; and line 14, after "display", --layer—has been inserted.

In claim 2, line 4, after "includes", --the-- has been inserted.

In claim 9, line 6, before "reflector", "a" has been changed to --at least one--; line 7, before "reflector", --at least one-- has been inserted; and line 13, before "reflector", --at least one-- has been inserted.

In claim 10, line 4, after "includes", --the-- has been inserted.

### **Reasons for Allowance**

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 12/11/2008 has been entered.

The following is an examiner's statement of reasons for allowance:

Claims 1 and 9 are allowed over the prior art of record. None of the prior art discloses or suggests a display having the combination of the features "at least one reflector between the color filter layer and the substantially transparent display layer such that no color filter is provided between the at least one reflector and the substantially transparent display layer", "a lighting system for illuminating the substantially transparent display layer from the rear side via the color filter layer", and "wherein the at least one reflector is on a front side of the color filter layer facing the display layer (a user) such that reflected light does not travel through a color filter when the display unit operates in the reflective mode".

Claims 2-8 and 10-18 are also allowed since they depend on claims 1 and 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Tai Duong at telephone number (571) 272-2291.

The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
